

IMPORTANT INFORMATION FOR RESIDENTS AND BUSINESSES

SATURDAY 7th MAY START 6PM | ROAD CLOSURES FROM 4PM

SUNDAY 8th MAY START 10AM | ROAD CLOSURES FROM 6AM

The Sunderland City Runs supported by Active Sunderland will take place on May 7th & 8th 2022 and we would like to take this opportunity to advise you of some of the road closures which may affect you.

We have worked closely with Sunderland City Council to minimise disruption while ensuring a successful and safe event. Marshals will operate at all key junctions and wherever possible will allow access for residents when it is safe to do so. They will be as flexible as they can be but we appreciate your understanding if this involves some delay. Please contact us if you have any specific issues which cannot be addressed on the day.

The following map and road closure information relate to Sunday 8th May. Please note that the **Sunderland City 5K** will take place on **Saturday 7th May** at the Northern Spire Bridge. The Bridge will be closed from **4pm-8.30pm** to allow the event to take place.

We respectfully ask for your understanding and co-operation on behalf of the competitors. The full road closure programme is available on our event website.

ACCESS FOR EMERGENCY VEHICLES TO ALL AREAS WILL BE MAINTAINED AT ALL TIMES.
